Experience

Virtual Assistant/ Junior Front-End Developer _ Under a Senior Front-End Developer **2021(July) - 2022(October)**

- Worked under a Senior Front-End Developer on designing websites, doing research work, business analysis, content writing, data recording, and anything that he needed assistance on.
- As part of our collaboration, I helped him establish an online marketing agency.

Responsive Website Designer _ Fiverr

2019-2020

- Worked as a website designer on Fiverr. Delivered some cloning projects as a beginner.

Assistant Project Coordinator _ Help The Future - HTF

2021(October)-2022(June)

- Systematized and coordinated the organization's campus ambassador program, with each batch comprising 62-70 people/ year. Recruitment, task brainstorming, evaluating ambassador's work, ensuring a positive work environment, resolving conflicts, and establishing certification programs were the responsibilities I carried.
- Assisted the project coordinator in planning and executing meetings, events, and programs/products, along with managing other members' work.
- Wrote/copy-edited content for their website and page publishing. Worked on networking and developing a coherent strategy, offered layout and design input on different works.
